

Community Group Sermon

Discussion

Read Acts 2:42-47 and recap the sermon.

1. What stood out to you from the sermon or passage? What convicted you? What comforted you?
2. If everyone in our church followed Jesus the way you did, how healthy would our church be? (Think about: your prayer life, your Bible reading, your evangelism, your worship, your giving, etc.)
3. In the sermon, we looked at three things the early church was devoted to: God, one another, and the lost. Which of these do you tend to gravitate towards? Which do you tend to neglect?
4. End group time by completing the practical steps that we discussed at the end of the sermon.
 - a. Write down this list of things the early church was devoted to: doctrine, the gospel, prayer, corporate worship, generosity, hospitality, and evangelism.
 - b. Take out your calendar and your budget from the past 2 months.
 - c. Be honest with yourself and the Holy Spirit.
 - d. And where it does line up - praise God. Thank Jesus and the Holy Spirit.
 - e. Where it doesn't - that's a chance for you to repent, to bring it before community, and to change by the power of the Spirit.
5. Pray that we as a church family would recognize "I AM THEY" and be motivated to live a life reflected in Acts 2. Pray that we would be able to offer ourselves and those around us grace when we fail, knowing that the goal is not to be perfect, because we can't, but instead to strive to live a life devoted to God.
