

Community Group Sermon Discussion

Read Acts 15:1-35 and recap the sermon.

1. What stood out to you from the sermon or passage? What convicted you? What comforted you?
2. In the sermon we said that we must fight for the gospel of grace because our hearts are prone to drift towards works-based righteousness. Where in your life do you see a temptation to drive from grace to works in your salvation or God's ongoing approval of you? (i.e. Comparison, parenting, marriage, sexual sin, eating habits, work, mission, etc)?
3. As a church, we need to fight to remember that the Gospel is good news to all people. We must be aware of any barriers that we are unintentionally adding that inadvertently make mission more difficult. Where in your life do you see unintentional or intentional barriers to building relationships with those who are different than you? How do you need to repent and take active steps against that this week?
4. What are steps we could take as a Community Group to fight for a gospel of grace that is good news for all people?
5. Pray that as a church we would fight for the Gospel that is good news to all people.
